Red Cliff Homes Announces Availability of 36 Lenox North Lots

Las Cruces— June 1, 2021 — Red Cliff Homes is pleased to announce immediate availability of ready to build lots in the Lenox North Subdivision. Lennox North will be Red Cliff Homes' 7th community since it was founded in late 2017. Red Cliff Homes is devoted to delivering and improving the quality of our homes. *"Lenox North is going to be one of the fastest growing areas in Las Cruces with easy access to the Interstate as well as growing and well-established businesses!"* said Rachel Galarza, Sales Agent at Red Cliff Homes.

While the location alone will make these homes prime real estate, the construction process is always number one to Red Cliff Homes. Each house will undergo 5 major inspections with over 130 items in each home. A recent home buyer from the Metro Verde community shared the following regarding his Red Cliff Home:

"I love my Red Cliff Home. Ben Beard, the owner, is very nice, responsive, [...]helpful, and truly cares about his customers... I love the look and style of my house. It came as a "smart home," with lots of really neat features. I highly recommend Red Cliff if you want to buy from a quality local builder/ family business with a personal touch vs. one of those large, high-volume "churn out the homes as fast as possible" home builders."
